2003-04 RAC Outdoor Sculpture Exhibit

The Redmond Arts Commission invites you to enjoy the 2003-2004 Outdoor Sculpture Garden. Use this guide to learn more about each sculpture located at two locations: the east lawn of the Municipal Campus, 8701 160 Ave NE and the Redmond Regional Library, 15990 NE 85 St. This year's 13 sculptures will remain in place through June of 2004.

While this guide is aimed at K-6 students and their art educators, we hope anyone using this resource guide will learn something new about sculpture and the arts! Part of the whole experience of sculpture is touch. We want your students to enjoy discovering the different textures through touch, whilst respecting the artists' work, and being gentle with the sculptures. Please stay off the artwork.

The Outdoor Sculpture Garden is sponsored by the Redmond Arts Commission and Redmond Parks & Recreation Department with funding support from the Cultural Development Authority of King County and the Redmond Regional Library. Check out the Arts Commission's section at www.ci.redmond.wa.us

If you are interested in buying an artwork or would like to send us your comments or questions, send an email to rac@ci.redmond.wa.us, or write to us at ORSPK, PO Box 97010, Redmond WA 98073-9710 or call the Arts Administrator at 425-556-2316.
